The Committee reserves the right to accept or refuse all nominations. Females must be registered with their respective breed association. Registration numbers are required at catalog time, October 20th, 2009. Signed registration papers are required at sale time or the cattle will not sell. Cattle must meet the genetic defect requirements of their respective breed association to sell.

HEALTH REQUIREMENTS

1. Health Certificate

2. All cattle must be tested negative for PI BVD. Testing should occur before or at least 4 weeks after vaccinations.

3. All females over 4 months of age must be Official Calfhood Vaccinates (OCV) with LEGIBLE TATTOO. Cattle that do not have a legible tattoo will not be accepted.

4. All bred females need to be pregnancy tested prior to catalog deadline, October 20, 2009, then again two weeks prior of sale.

5. Open heifers need to be pregnancy checked open, and stated on health certificate.

OUT OF STATE CATTLE

1. All of the above requirements.

2. Please contact your Veterinarian for health requirements for interstate travel.
