Join us!

Colorado Simmental Association has lots to offer. We think you'll enjoy CSA's benefits of:

- **Camaraderie** with other Simmental breeders;
- **Education** through contact with other experienced and successful breeders; and
- **Marketing** help through listings in state directories and advertising opportunities.

In addition, Colorado members specifically receive:

- Free listing on CSA's web site: www.coloradosimmental.com. We update this web site at least once a month. In addition to keeping you in the loop of happenings, it also serves as a marketing tool. If you don't have your own web site, search engines will likely pick up your ranch membership from here, so internet customers can still contact you;
- Free listing and copy of the CSA membership directory which includes bylaws as well as easy-to-use membership yellow pages. Printed versions are still handy in the pickup glove box or in the phone book drawer;
- Notification by mail or email of regional Simmental and CSA projects throughout the year. In addition to deadlines and news, we also forward any cattle inquiries to all e-members;
- Cost-share advertising/co-op marketing program participation, which allows members to tag their ranch information onto the big breed ads and stretch their marketing dollars. This is an **excellent** opportunity to promote your operation for a nominal fee. It is one of our most popular marketing benefits; and
- Voting member at the CSA annual meeting, which allows your voice to be heard.

If you would like to become more involved in the destiny and decision-making regarding Simmental cattle, join Colorado Simmental Association. To activate this special offer, we just need to confirm your information. Complete this form & return to the CSA address above.
